

SU Undergraduate Master's of Science in Athletic Training Pre-Admissions Program.

The purpose of the SU undergraduate pre-admission program is to allow highly qualified high school students to be pre-admitted into the Master of Science in Athletic Training Program. These students are guaranteed acceptance into the MSAT program provided that they meet specific criteria. In order to be admitted into this program as a freshman at Shenandoah University (out of High School) the student must achieve:

1. A high school cumulative GPA of 3.2 or better
2. Score a minimum of 1000 on SATs
3. Submit an application for admission to SU as an undergraduate Kinesiology Pre-Athletic Training Major
4. Submit the forms for the MSAT Pre-Admit program

This part of the admissions process is handled by the Office of Graduate Admissions for Shenandoah University. In order to remain in the program and matriculate into the MSAT program at the end of three years of undergraduate study the student must:

1. Successfully complete a minimum of 90 hours of coursework (grade C or higher)
2. Maintain a minimum cumulative GPA of 3.2

Although this program provides the students with guaranteed admission, the student must still complete all of the materials requested as part of the admission process to actually receive formal acceptance into the program.
